

## CONSENT LETTER

### Limited Face-to-Face Classes & Internship

Dear Parent / Guardian,

Greetings!

Amidst the current state of restrictions and quarantine protocols due to COVID-19 Pandemic, we would like to get your consent and sincere approval that in line with the completion of Laboratory Requirements and Related Learning Experiences for the fulfillment of the Degree in BS Nursing per the mandate of Commission on Higher Education, **St. Jude College Dasmariñas Cavite, Inc. will conduct Limited In-Person Classes (Skills Laboratory Classes) & Clinical Duty Deployment.** Despite of the limitations, we would like to continue providing quality education to your children and equip them with sufficient knowledge, skills, and right attitude they need to be successful and competent nurses, and this purpose will only be fulfilled through skills demonstration and actual practice.

Please be informed that for this Academic Year 2020-2021 - Second Semester, we will start on **February 2022**. This program includes schedules of rotation for both skills laboratory classes (in-campus) and clinical duties and exposure to in-field areas (off-campus) depending on the learning concept outcomes that we aim to achieve on the students' year level.

Furthermore, the following are the basic requirements for **Student Nurses** prior to attendance in the program:

- ✓ COVID-19 Vaccination Card (Fully-Vaccinated ONLY; preferably with BOOSTER).
- ✓ NO manifestations of any related SIGNS & SYMPTOMS of COVID-19; or recent EXPOSURE.
- ✓ Copy of result of NEGATIVE RTPRC SWAB TEST (for Hospital Deployment); or Negative Rapid Antigen Tests (for In-Campus Rotation)
- ✓ Should have Personal Protective Equipment (PPE) and Hygiene Kits.
- ✓ Accomplished and signed CONSENT FORM.

Provided that while inside the school premises or in off-campus deployment, students and employees will practice the following basic health safety guidelines such as: wearing of face mask and shield at all times; answer the Infection Prevention and Control Declaration Form and undergo temperature check, misting and disinfection at the school's entrance; bring hand sanitizer and other personal solution to disinfect hands and avoid touching of eyes, nose, and mouth; observe social distancing of at least 2 feet away from other people; no kissing, hugging, shaking of hands, and touching with friends, teachers, and classmates shall be allowed; and packed snacks and lunch are encouraged to limit entry and exit.

Rest assured that the school will strictly implement all the necessary precautions.

Sincerely,

**SJCDC – School of Nursing**

### PARENT / GUARDIAN'S CONSENT DECLARATION
